

EuroCG'09

25th European Workshop on Computational Geometry

March 16 – 18, 2009 Brussels, Belgium

The 25th European Workshop on Computational Geometry (EuroCG'09) will be held on March 16 – 18 at the Université Libre de Bruxelles (Brussels, Belgium). EuroCG is renowned as a friendly workshop, where researchers across Europe and the world can meet and exchange ideas in a delightful atmosphere.

We invite authors to submit extended abstracts (4 pages, two columns) of original research. Submissions will be handled through EasyChair. Please refer to the website of the conference (<http://2009.eurocg.org>) for additional information, in particular on the submission format.

Topics of interest

- discrete and combinatorial geometry and topology
- design and analysis of geometric algorithms and data structures
- implementation and experimental evaluation of geometric algorithms
- numerical and algebraic issues arising from implementations
- analysis of geometric configurations
- geometric modelling, visualization and simulation
- combinatorial optimization
- computer-aided design and manufacturing
- structural molecular biology
- geographic information systems
- robotics and virtual worlds
- and other fields.

Important dates

- Submission Deadline : January, 9
- Acceptance Notification : January, 30
- Camera-ready version : February, 13
- Early Registration : February, 23

Invited Speakers

- Prosenjit Bose, Carleton U.
- Luc Devroye, McGill U.
- Mark Overmars, Utrecht U.

Organizing Committee in Belgium

- Greg Aloupis, ULB
- Jean Cardinal, ULB
- Sébastien Collette, ULB
- Gwenaël Joret, ULB
- Stefan Langerman, ULB (chair)
- Benoit Macq, UCL

Program Committee

- Greg Aloupis, ULB
- Jean Cardinal, ULB
- Sébastien Collette, ULB
- Erik Demaine, MIT
- Marcin Kaminski, ULB
- Stefan Langerman, ULB (chair)
- Pat Morin, Carleton U.
- Perouz Taslakian, McGill U.
- Stefanie Wührer, Carleton U.
